

## Donna White

Donna White is the founder of The BHRT Training Academy and author of the book, *The Hormone Makeover - 4 Steps to Four Steps to Conquer PMS or Menopause with Bioidentical Hormones*. Her career focus is to help medical providers learn to prescribe and implement BHRT into their practice so they can help their patients have better outcomes, increase revenue, and have more free time to spend with their families.

With over 30 years of experience in the field of bioidentical hormones, Donna has worked with thousands of practitioners and women. She's built 4 successful practices, is a published author, written numerous eBooks and provider training manuals, appeared frequently on radio and tv, hosted 3 radio shows, produced 3 training provider training programs, and served as an internationally known speaker for medical conferences, business organizations, women's groups and churches.
