The American Society of Plastic Surgeons (ASPS) is the largest plastic surgery specialty organization in the world. Founded in 1931, the society is composed of surgeons certified by the American Board of Plastic Surgery or by the Royal College of Physicians and Surgeons of Canada who perform Plastic and Reconstructive surgery.

- ASPS comprises 94% of all board-certified plastic surgeons in the United States and has selected international members such as Dr. Cha.
- Dr. Cha speaks English and Korean fluently and spent part of his life in Washington D.C. He has been featured twice by NBC in the USA and has a 100% safety record.

He belongs to the top circle of plastic surgeons in Korea and is certified by all government approved plastic surgery boards. Dr. Cha performs all his own surgeries and takes a maximum of 2 surgeries per day to ensure quality control. He never rushes through consultations and will focus 100% on you during your time at MINA PLASTIC SURGERY.
