

Michael Carnes, DC  
Corrective Chiropractic

Dr. Carnes is fully certified and experienced in comprehensive chiropractic exams and adjustments, including manipulations performed under anesthesia

A Long Island native, Dr. Carnes began serving patients after earning his Doctor of Chiropractic credentials from Life University College of Chiropractic in Marietta, GA in 2006. He has been providing care to patients in private practices and care centers throughout Long Island, Queens, Brooklyn, the Bronx and New Jersey.

Dr. Carnes opened Corrective Chiropractic PLLC in 2013 and is currently welcoming new patients to discover how his expertise and the complete chiropractic services he performs can help them find relief from their pain, and a better means to healing and health.

Dr. Carnes has post-doctoral certifications in Diagnosis of Head & Neck Injuries from the Ligament Injury Institute. He recently completed advanced certification in Whiplash and Brain Injury Traumatology, as well as Whiplash Biomechanics & Injury Traumatology through the Spine Research Institute of San Diego (SRISD), a research center devoted to the investigation of motor vehicle crash injury.

Continuing Education training includes:

- Whiplash & Brain Injury Traumatology
- Diagnosis of Head & Neck Injuries
- Pain Management
- Integrative Medicine
- Disc Conditions
- Functional Nutrition
- MRI Diagnosis
- Kinesiology Taping
- Operating Room Procedures

Dr. Carnes' Professional Affiliations include:

- Mather Hospital's Chiropractic Collaboration Program
- The American Chiropractic Association
- New York State Chiropractic Association
- Foundation for Chiropractic Progress
- Corrective Chiropractic is also part of the Integrity Doctors network of Chiropractors nationwide.
- Mather Hospital Northwell Health Chiropractic Collaboration Program
